

COMMITMENT TO HEALTH & SAFETY

As we prepare to re-open, we are committed to upholding the highest standards of health and safety for our staff, guests, and the community.

We will be operating and reopening under the guidance of the Province of Ontario, to ensure that social distancing and other safety protocols are respected. We have thoroughly evaluated our existing, high standard health and safety measures; and we are implementing new initiatives to ensure the highest level of safety and the best possible customer experience.

Steps We Are Taking:

- Asking our employees to stay home if they are sick
- Conducting symptom checks before employees are allowed to enter the workspace
- Requiring all employees to wear face coverings
- Providing staff with necessary Personal Protective Equipment including masks and shields to ensure safety
- Thoroughly disinfecting all touch points within the space prior to opening daily, and scheduled throughout our operating hours.
- Frequently disinfecting bathrooms and other facilities where guests share space
- Limiting the number of customers on the patio and in the dining room, to maintain proper distancing
- Placing tape and markings at least six feet apart for customer line-ups and signage indicating flow of traffic.
- Re-organizing the layout of all tables and chairs within dining spaces to better assist guests in adhering to social distancing practices
- Disinfecting + sanitizing all surfaces and touchpoints of tables and chairs before and after each use
- Thoroughly sanitizing payment portals, billfolds and pens after every use
- Disinfecting all high-contact surfaces frequently
- Providing hand sanitizer to guests at the entrance to our restaurants

What We Ask From You:

- Please do not to enter the restaurant or patio if you have any COVID-19 symptoms
- Please wear a mask when not seated at your table, whether on the patio or in the restaurant
- Maintain a minimum six-foot distance between guests and staff members
- Please sneeze or cough into your elbow
- Do not engage in any unnecessary physical contact

On behalf of the entire Proof team, we look forward to welcoming you back to our restaurant, in a safe manner. We are dedicated to continuing to serve the community while upholding our promise of the highest standards of health and safety.

Sincerely,

LAURA UMBRIO
